

Cele|bitchy | 'Gossip With Celebitchy' Podcast #84: A royal reporter tweeted at Kaiser

Celebitchy is a daily gossip and entertainment blog, started in 2006, which also focuses on liberal politics, royal coverage and fashion.

We will be on for the next two weeks and off on March 28th. We complain about how boring the Golden Globes were. We saw *Promising Young Woman*, I thought it was too long and we both found it dark. (There are no spoilers in our talk!) Of the movies likely to be nominated, I really liked *The Trial of The Chicago 7*.
